Panel Discussion: GMS Status of Regional Cooperation and Outlook

5th GMS Environment Minister's Meeting
23-24 March 2017

Current Regional Cooperation Initiatives

- Smart Infrastructure for the Mekong
- SERVIR
- Clean Power Asia
- Private Finance Advisory Network
- Agreement with USEPA
- Wildlife Asia
- Green Invest Asia
- Resilient Cities Asia
- Clean Smart Low Carbon Cities China
- Partnership for Research (PEER)

Assessment of Current Regional Initiatives

- Greater understanding of the problem and what's at stake
- Greater interest in regional approaches
- Greater interest in data for management
- Greater interest in cross-sector cooperation

But, still lots of work ahead
